

A photograph of a construction site. Several long, light-colored wooden planks are laid out horizontally across the frame. A bright red cable runs along the top of the planks, curving slightly. A thick yellow rope is coiled on the left side of the image. The background is a white, textured surface, possibly a wall or a large sheet of material. The text "Permit # 54152" is overlaid on the right side of the image.

Permit # 54152
