10

A close-up photograph of a roof ridge. A black, curved cap is installed over the ridge, but there is a significant gap between the cap and the underlying shingles, exposing the wooden batten. The surrounding roof is covered in grey asphalt shingles.

11

A wide-angle photograph of a roof. A white roof vent is visible near the center. Various tools, including a hammer and a pry bar, are scattered on the shingles. A blue propane tank is positioned on the left side of the frame. The background shows a green lawn and trees under a clear blue sky.
