Produced Identification ☒ Type of identification produced. FIDL

* Include photographs of each plane of the roof with the permit
number clearly shown marked on the deck for each inspection.
Place a tape measure next to the nailing pattern to show distance
between nails.

* Photographs must clearly show all work and have the permit
number indicated on the roof.

* Affidavit and Photographs must be provided when final
inspection is requested.

* Metal overlay & purlin installations shall have photographs of
purlins or underlayment, whichever applies.

Record before final inspection
