Good morning,  
This application is complete pending a City of Lake City approval letter. Can you please advise as to what is needed for Mr. Hendon to get this released to us so that we can get his permit issued?

Glenn, we also need the serial #, electrical amps, and mechanical cost if you can get that to me please. If Mr. Hendon wished to not move forward with this application, please let me know. Thanks! Have a great day!
