

PPM.SOLAR

To Whom It May Concern:

We currently have an issued permit for Eileen Lye's residence at 223 SW Meadowlands Dr, Lake City, FL 32024 (Permit #000053421).

Due to the roof not meeting our standards for system mounting and for safety reasons, we have decided that it would be more structurally sound to install the solar system onto the barn. The updated plans have been uploaded to the portal for your review and approval.

Thank you for your assistance. Please let me know if you have any questions.

Sincerely,

Jason Gonos
