Columbia County BLDG Dept,

Permit #: 000049942

Address: 242 SW Godbold Ave Lake City, FL 32024

Please cancel the above referenced permit. The projected project never commenced, leaving no reason for inspection or completion. I am selling this property, and need this canceled at your earliest convince.

A building dept employee stated an email from the email associated with the permit # stating a reason for cancellation, and referencing the actual permit needing canceled. Please let me know if anything else is needed to get this taken care of.

Thank you,

Cody Burnham [\(386\) 965-3683](#)
