Re: Minor Modification to an Approved Site Plan
SE 0603 – Truck Stop 75 – Service Center Sanitary Sewer

Dear Ms. Chadwick,

On February 22, 2020, the Building & Zoning Department received your request for a Minor Modification to an Approved Site Plan for SE 0603, in accordance with Section 14.13.4 of the Land Development Regulations ("LDRs"). The minor modification requested was to move the proposed building and parking location to the west in order to avoid building in an easement.

As the LDR Administrator, I have review the proposed Minor Modification to an Approved Site Plan for SE 0603 and have determined it does not affect the requirements of the LDRs; therefore, your request for a Minor Modification to an Approved Site Plan is hereby approved.

If you have any questions, please do not hesitate to contact me at bstubbs@columbiacountyfla.com or (386) 754-7119.

Sincerely,
