Re: JCL Jurisdiction Closeout Letter

Date: May 9, 2025

Site Name: LULU

FA Number: 10579357

PACE Number: WSTFL0019862

Engineering ID Number: 57855-JCL1

Permit Number: 000051754

Site Description: 250' Guyed Tower – 120 SE Community Drive, Lulu, FL 32061

N 30° 6' 50.5404", W 82° 30' 7.0308"

Dear Mr. Ruiz,

It is our understanding that the County of Columbia, Florida, requires a letter from a Professional Engineer confirming that the telecommunications line and antenna equipment to be installed on this Tower was successfully completed according to the drawings prepared for this project.

Some of the following documentation was reviewed in order to assess the proper installation of the aforementioned equipment:

- Site Visit completed: 04/14/2025
- Construction As-Built Drawings Number 24-0362.04 by APX Engineering Group, dated 04/16/2025
- The site's electrical, grounding and connections were constructed in conformance with the plans.

Upon review, it was deemed that the installation of the line and antenna telecommunication as satisfactorily installed and **PASSED** in terms of the original design intent of the drawings prepared for this site.

Please do not hesitate to contact me directly for any additional questions or concerns regarding this matter.

Warm regards,

Raphael I. Mohamed, P.E., P. Eng.
