Continental Energy, Inc.  
Roof Replacement or Repair Project Agreement  
Revised March 15, 2018

Continental Energy, Inc. ("CEI") is a professional service company that provides energy efficiency services to residential and commercial customers. CEI is not a contractor and does not perform construction work. CEI's services are limited to energy audits, energy modeling, and the design of energy efficiency measures. CEI does not provide any warranties or guarantees for its services. CEI's services are provided on an "as-is" basis and are not intended to be used as a basis for any construction project. CEI's services are provided for informational purposes only and are not intended to be used as a basis for any construction project. CEI's services are provided for informational purposes only and are not intended to be used as a basis for any construction project.

CEI's services are provided for informational purposes only and are not intended to be used as a basis for any construction project. CEI's services are provided for informational purposes only and are not intended to be used as a basis for any construction project. CEI's services are provided for informational purposes only and are not intended to be used as a basis for any construction project. CEI's services are provided for informational purposes only and are not intended to be used as a basis for any construction project. CEI's services are provided for informational purposes only and are not intended to be used as a basis for any construction project.
