Permit Renewal/Extension Request for Expired Permit

Date: 3/16/2026

To Whom It May Concern

I am requesting renewal of the building permit listed below, which has expired under the provisions of the Florida Building Code. I am aware that this request is subject to review and approval by the Building Department, and that additional documentation, fees, or inspections may be required

Reason for delay/Justification for Renewal Request

I had to obtain a 911 address for the parcel of land where the electric would be located. The old permit was in my address on the adjoining parcel.

Permit Time Limit (F.S. 553.79)

Pursuant to Florida Statutes 553 79 and the Florida Building Code, a permit shall expire if:

- Work has not commenced within 180 days of issuance,
- Work has been suspended or abandoned for 180 days after commencement, or
- No passed inspection has occurred within 180 days.

*An expired permit may be eligible for renewal provided no substantial changes have occurred and the project remains compliant with current codes.

Renewal Fee Calculation

Fees are based on the percentage of inspections completed before the permit expired

- **No Inspections Complete:** 100% of original permit fee
- **1/4 Inspections Complete:** 75% of original permit fee
- **1/2 Inspections Complete:** 50% of original permit fee
- **3/4 Inspections Complete:** 25% of original permit fee
- **Minimum Fee:** \$100 00

Acknowledgement & Certification

By signing below, I affirm that the information provided is true and correct. I understand that this request is subject to review and approval by Building Department staff, and that additional documentation or inspections may be required

I affirm that

- I am the original permit applicant, licensed contractor, or property owner, and am authorized to make this request
- No substantial changes have been made to the project since the original permit was issued
- I agree to comply with all applicable provisions of the Florida Building Code and Florida Statutes
