Permit # 30400

My son Cody Norris would like to move into our mobile home address 318 SW Glade Glen it is a 14x60 1988 mobile home. He decided that he would rather stay in that home instead of our mobile home on the same property address 330 ~~298~~ SW Glade Glen Lake City FL 32024. The final inspection was just done Jan 23, 2013 on the mobile home so he has not been able to live there yet and we have already paid the \$500.00.
