- After hours payments can be placed in the drop box located in the first lane of the drive through. Please do not place cash in the drop box.
- When paying by mail, please allow sufficient time for mail delivery and processing.
- To ensure proper credit to your account, include the correct stub with your payment and write your account number on your check.
- Returned checks will result in a service fee in accordance with Florida Statute 166.251.
- A late charge of \$10.00 or 5% of the total charges due, whichever is greater, will be added to your current bill if your payment is not received within 20 days after the billing date (postmark unacceptable).
- Services processed for cut off for non-payment require processing fees and deposit increases.
- The due date indicated on the front of this statement is for CURRENT CHARGES only.
- The failure of the customer or their agent to receive notice of their utility bill does not relieve them from the obligation of its payment immediately and are deemed delinquent if not paid within (20) days after the bill date.

**Did you know that tampering with the City's meters and metering equipment or turning water on or off without authorization is against the law? Violators can be subjected to a fine of \$500 in addition to any damages from their actions**

	Leak Size	Gallons Per Day *	Gallons Per Month*
•	A 1/32 in. leak consumes:	264 gallons	7,920 gallons
•	A 1/16 in. leak consumes:	943 gallons	28,300 gallons
•	A 1/8 in. leak consumes:	3,806 gallons	114,200 gallons
•	A 1/4 in. leak consumes:	15,226 gallons	456,800 gallons
•	A 1/2 in. leak consumes:	60,900 gallons	1,827,000 gallons

*\*The amount of lost water is dependent on your water pressure*
