re: Alemar Pool Engineer's Report

I have reviewed the construction of the cmu swimming pool located at 1152 SW Lake Montgomery Avenue, Lake City, FL. Area uphill of the pool will be graded so that runoff is directed around the pool.

In my professional opinion, the construction meets the reinforcing specified the 2020 Florida Building Code – Residential, 7<sup>th</sup> Edition.

Please contact me at 307.680.1772 if you have any questions.

Respectfully,

Printed copies of this document are not considered signed and sealed and the signature must be verified on any electronic copies.

This report is limited to field observations. The observations were cursory; no subsurface investigation was completed. Recommendations are based on these observations. Other conditions not visible at the surface may be present. I am unable to certify or guarantee no future deterioration, settlement or movement of the structure.
