Re: Remodel Permit 000048451

Effective immediately, I Mark Dawson of Paradise Plumbing Services LLC. do hereby request my plumbing license be removed from the Remodel job of Adams Restated Revocable Trust permit #000048451 of 120 S.W. Calm Glen, Fort White, Florida. 32038. The Building Contractor in charge of this job is Kip Maranto Construction Inc. of 221 S.W. Birch Glen Lake City, Florida. 32024.

Paradise Plumbing Services LLC has had the ground rough and top out inspections completed and passed but, upon a field visit on 10-7-2024 at 7:35 p.m. I found that the sanitary system has since been altered and the house has had the fixtures set in place and connected by others. Paradise Plumbing will not warranty any part of the plumbing system for the said house due to the nature of this discrepancy.

Sincerely,

Mark Dawson
