**ER - Eligible - Rental Assistance**

You have been approved to receive rental assistance from FEMA. We are providing you this assistance so that you and members of your pre-disaster household can temporarily rent a place to live. **We expect all families who receive FEMA temporary rental assistance to return to their damaged home when it is repaired or to locate and occupy affordable housing without FEMA rental assistance at the earliest possible time.**

The monthly amount of rental assistance we provided you is based on rental rates determined by FEMA and the U.S. Department of Housing and Urban Development (HUD). If you are unsure what specific days are covered by this assistance, please contact the FEMA Helpline at 1-800-621-FEMA (3362). TTY is available for persons who are hearing or speech impaired, please call 1-800-462-7585.

If you think we have not paid you the appropriate amount of rental assistance for your area, you have the right to appeal. Please send us a statement that describes the number of bedrooms occupied in your home at the time of the disaster. It is also very important that you include your current address and contact information.
