IE. Slab Elevation of dwelling under construction on tax Parcel No.07-4S-16-02791-106

To Whom It May Concern,

A minimum floor elevation of 111.00 feet, National Geodetic Vertical Datum (NGVD) of 1929, was established for the above referenced parcel by David M. Winsberg, PE# 68463, according to letter dated April 13, 2019.

The elevation of the concrete slab foundation of the main floor of the under construction dwelling is 114.7 feet, NGVD 1929 Datum. The elevation calculated for North American Vertical Datum (NAVD) of 1988 Datum would be 113.8' +/- as a reference to the most recent elevation datum.
