Re: Fire Safety Inspection

A fire safety inspection was performed today at Client Logic, located at 1152 SW Business Point Dr., Lake City, Fl. This business meets all requirements of Chapter 38 of the Florida Fire Prevention Code, 2006 Edition. I recommend approval of this facility with the following change(s)

- Turn steps located at SW entrance to run parallel with classroom
- Post no parking signs at both ends of M/H, helping to maintain open drive
