Re: 33-3S-16-02435-001

Mark Haddox

To Whom It May Concern:

The elevation of the slab on this parcel is established to be 168.83 feet. The highest adjacent grade is 168.3 feet and the lowest adjacent grade is 167.5 feet. The minimum floor elevation as per the building permit is to be 167.25 feet. The elevations are shown in an assumed datum.

Sincerely,

L. Scott Britt
