Hello,
Just received a phone call from Mellissa with the County and they received the lease not notarized. They' re okay with issuing the permit but want an email that they can do that, do to the fact the lease isn't notarized. Who is authorized to send this email?

Good afternoon Robert,

Any luck getting a copy of the lease agreement between Haeco and the city? The county is requesting it before they will issue the roof permit. Thank you so much!

Ingrid
