Connie,

I assume you will be sending a compliance/approval letter on this parcel? I wanted to make sure to save this email, if not.

Thank you,
Laurie

Jeff—

The issues with parcel #04049-015 Evelyn Vinski Barker have been resolved. The lot is a non-conforming lot but will be grandfathered in due to the fact that a mobile home permit was issued to Ms. Vinski in October, 2009. Mrs. Barker was able to produce a copy of the permit, therefore it is considered an action of government and I can allow her to replace the mobile home on the property located at 251 SW Seagrove Ct. Ft. White, FL 32038. If you have any additional questions, you can contact me.
