To Whom It May Concern,

My name is Curtis Kinsey, and I am writing to respectfully request an exemption or waiver of the fees associated with pulling permits that I initially requested in early 2023 for the property located at 1355 NW Baughn Street, Lake City, FL 32055.

Unfortunately, due to unforeseen and extraordinary circumstances, I was unable to complete the process of pulling these permits at the time. On November 28, 2023, I suffered a medical emergency—a ruptured aneurysm—which required brain surgery and resulted in an extended hospitalization of 66 days. After my hospitalization, I was transferred to a skilled nursing and rehabilitation facility for an additional 44 days, leaving me unable to address personal, professional, or administrative matters during this time.

Now that I have recovered sufficiently, I am seeking to proceed with pulling the permits. However, I kindly request that the associated fees be waived or exempted due to the extraordinary circumstances that prevented me from completing the process earlier.

I deeply appreciate your understanding and consideration of my situation. Should you require any additional documentation or information to support my request, I am happy to provide it.

Thank you for your attention to this matter.

Sincerely,

Curtis Kinsey
