

NOTICE TO APPLICANT/OWNER REGARDING FLOODING

Please read carefully before you begin your construction project!

WARNING: The degree of flood protection required by this County's floodplain ordinance and the Florida Building Code are considered as minimum for regulatory purposes only. The floodplain ordinance and Florida Building Code are based on scientific and engineering considerations, but do not include actual, observed events of flooding that may have occurred at your property. You should also keep in mind that larger floods have, can, and will occur from time to time. Flood heights may be increased by man-made or natural causes. Approval of your permit under the floodplain ordinance does not imply that the permitted structure will be free from flooding or flood damage. The Special Flood Hazard Areas and Base Flood elevations are contained in the Flood Insurance Study and shown on Flood Insurance Rate Maps. The County adopts these maps for purposes of compliance with the National Flood Insurance Program but makes no representations or assurances of their accuracy or reliability. The County does not maintain, track, or provide flood history data for any particular parcel of land.

THERE IS NO GUARANTY OF VESTED USE, EXISTING USE, OR FUTURE USE CREATED BY YOUR COMPLIANCE WITH THE FLOODPLAIN ORDINANCE. YOU ARE RESPONSIBLE FOR ASSESSING YOUR OWN PARTICULAR FLOOD RISK AND YOU ARE ENCOURAGED TO SPEAK WITH NEIGHBORING OWNERS AND THE PREVIOUS OWNERS OF YOUR LAND TO OBTAIN FIRST-HAND KNOWLEDGE OF YOUR PROPERTY'S SPECIFIC FLOOD HISTORY.

DISCLAIMER OF LIABILITY. The County floodplain ordinance does not create liability on the part of Board of County Commissioners of Columbia County or any officer or employee thereof for any flood damage that results from reliance on the ordinance, or any administrative decision lawfully made thereunder. Again, it is your responsibility to assess your property's flood risk and build accordingly.

For more information, see the Columbia County Code of Ordinances, Land Development Regulations, Article 8, at: https://library.municode.com/fl/columbia_county. Additional information can also be found on the County Building Department's web page: <https://www.columbiacountyfla.com/BuildingandZoning.asp>.

ACKNOWLEDGMENT

I have read and understand the foregoing **NOTICE TO APPLICANT/OWNER REGARDING FLOOD ZONES**. I understand it is my responsibility to determine my property's flood risk, and that the County has made me no assurances that my property can not or will not flood.

EFFECTIVE FLOOD INFORMATION REPORT

Location Information
County: COLUMBIA
Parcel: 336S1709834112
Flood Zone: X
Flood Risk: LOW

1% Annual Chance Base Flood Elev* Not
Applicable
10% Annual Chance Flood Elev* Not Applicable
50% Annual Chance Flood Elev* Not Applicable

* Flood Elevations shown on this report are in NAVD 88 and
are derived from FEMA flood mapping products, rounded to
the nearest tenth of a foot. For more information, please see
the note below

Legend with Flood Zone Designations

	1% Flood - Floodway (High Risk)		Area Not Included		Cross Sections		Wetlands
	1% Flood - Zone AE (High Risk)		SFHA Decrease		County Boundaries		
	1% Flood - Zone A (High Risk)		SFHA Increase		FIRM Panel Index		
	1% Flood - Zone VE (High Risk)		Depressions		Parcels		
	0.2% Flood - Shaded Zone X (Moderate Risk)		Base Flood Elevations (BFE)		River Marks		

Anywhere it can rain, it can flood
Know your risk.

The information herein represents the best available data as of the effective map date shown. The Federal Emergency Management Agency (FEMA) Flood Map Service Center (<https://msc.fema.gov>) maintains the database of Flood Insurance Studies and Digital Flood Insurance Rate Maps, as well as additional information such as how the Base Flood Elevations (BFEs) and/or floodways have been determined and previously issued Letters of Map Change. Requests to revise flood information may be provided to the District during the community review period on preliminary maps, or through the appropriate process with FEMA Change Your Flood Zone Designation (<https://www.floodsmart.com>) (<https://www.floodsmart.com>)
