

A vertical wooden plank is positioned in the center of the frame. A yellow measuring tape is held against the right side of the plank, with numbers visible from 3 to 34. Two green binder rings are clipped to the plank at approximately the 20-inch and 23-inch marks. The background is a dark, wet surface, possibly a car window, covered in numerous water droplets. A faint reflection of a building is visible on the left side of the background.
