RE: Communications Tower Permit #000046554 Amendment Request

To Whom It May Concern:

I, Larry Sweatt, Qualifier for Ericsson, Inc. State of Florida, General Contractors License #CGC1532010 do hereby request an amendment plan review for the Communications Tower Permit #000046554 for the project located at 917 SW CHARLES TER LAKE CITY, FL 32024. The project was on hold by the Tower Owner and is now off hold and ready to begin.

T-Mobile had advised that there wasn't enough room to accommodate their proposed 10x15 pad. So, the approved drawings were revised into the new submitted set dated 01/19/2024.

Sincerely,

Larry Sweatt
