OMB Approval No. 2502-0525  
(exp. 07/31/2027)

## New Construction Subterranean Termites Service Record

This form is completed by the licensed Pest Control Company

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This information collection is not a burden on the public. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden, to Washington Headquarters Service, Paperwork Project (0198-0106), Washington, DC 20503.

OMB control number: 2502-0525

Section 24 CFR 200.626(b)(3) requires that the sites for HUD insured structures must be free of termite hazards. This information collection requires the builder to provide information on termite hazards. The information collected will be used to determine if the builder is in compliance with the requirements of the National Flood Insurance Program (NFIP) and the National Flood Insurance Act of 1968. The information collected will also be used to determine if the builder is in compliance with the requirements of the National Flood Insurance Program (NFIP) and the National Flood Insurance Act of 1968. The information collected will also be used to determine if the builder is in compliance with the requirements of the National Flood Insurance Program (NFIP) and the National Flood Insurance Act of 1968.

This report is submitted for informational purposes to the builder on proposed (new) construction cases when treatment for prevention of subterranean termite infestation is specified by the builder, architect, or required by the lender, architect, FHA, or VA.

All contracts for services are between the Pest Control company and builder, unless stated otherwise.
