## PRODUCT APPROVAL SPECIFICATION SHEET

Location: 153 SW SHORT LEAF	Project Name: CROCKER	
-----------------------------	-----------------------	--

As required by Florida Statute 553.842 and Florida Administrative Code 9B-72, please provide the information and the product approval number(s) on the building components listed below if they will be utilized on the construction project for which you are applying for a building permit on or after April 1, 2004. We recommend you contact your local product supplier should you not know the product approval number for any of the applicable listed products. More information about statewide product approval can be obtained at <a href="https://www.floridabuilding.org">www.floridabuilding.org</a>
