Subject: Permit #000039406

Melissa,

My swimming pool permit for the Williams (permit number 000039406) has expired and I need to reopen it. Our construction timeline pushed out with COVID so we did not get to start the job in our previously anticipated time frame. I need to reopen the permit now so we can proceed with the job.

Thank you and please let me know when you receive this email.

Thanks,

Rick
