Lake City, FL 32038

Subject: Permit # 41643 – Parcel # 09939-003

Dear Elouise:

Daniel & Gore, LLC has performed a vertical survey on Parcel # 09939-003, Columbia County, Florida from a benchmark being a FDOT concrete monument (2905001 BM10) on the Easterly right of way of SR-20 (elevation – 64.49', NAVD 1988) and have determined the following:

- The Elevation Letter by Carol Chadwick, P.E. requires the minimum finish floor elevation to be 51.10'
- Per the Elevation Letter from Carol Chadwick, the existing road centerline is 57.3'+/-. We have determined said centerline to be 66.5'+/-.
- The finish floor of the residence is at 60.78', being 9.68' above the minimum finish floor requirement per Carol Chadwick's letter.

If you have any questions, please call me.

Sincerely,

Scott Daniel, PSM
