

Driveway Permit Extension Request

To whom it may concern:

I, Haley Lunsford, am requesting an extension on the Right-of-Way Access/Driveway permit #000051202. It is due to expire Sunday, April 20, 2025. Our construction loan has taken longer to close than expected. We are due to close before the end of the month (April, 2025). Our contractor for the installation of the culvert has recommended to wait for the installation until after the "heavy loads" have been completed for the new residential construction. This is to avoid the possible damage to a new culvert that meets the permit standards, so we do not have to possibly pay to have it repaired or even possibly replaced more than once. There is a temporary county issued culvert in place. Our new residential construction permit (#000052524) expires 9/3/2025. Therefore, I am requesting an extension of the driveway permit to be extended to the same date. The address is 1414 NW Josephine St. Lake City, FL 32055. If you have any questions, please contact me via phone or email.

With appreciation,

Haley Lunsford
