Greg,

The product approval for the Nelson Windows is:

#14743.1 – PlyGem 1500F Single Hung 32x52 – They are in stock at Lowes for \$92.00 each

The siding is a straight 8 Aluminum Siding with a mill wood grain finish...we cant match this finish but we can get a straight 8 in a driftwood finish...Being it's the whole side of the house and its being painted maybe this will work?

I need a copy of the revised estimate that you sent the adjuster so that I can budget the job to start as soon as the permit is issued!
