Melissa,

We received a request to inspect an existing driveway for parcel # 08-2S-17-04689-000 (23906), Barry Kleinbaum 9622 N US Hwy 441 (SR-47N). The Department has no objections/concerns to the continued use of this access as is for a single-family residence. Good to go. Please call/email if you have any questions. Thank you.
