Subject: ERP13-0012, Douglas M. Sasser Floodway Project, Columbia County

Dear Mr. Sasser:

Staff review of your application reveals that the referenced property involved does not require a District Permit since it is outside the District's floodway. Therefore, the construction is not subject to the requirements of Chapter 40B-4, Part III and a permit from the Suwannee River Water Management District is not required.

Please be aware this exemption does not exempt you from obtaining permits from any other regulatory agency.

If you need additional information or have questions, please contact me at 386.647.3119 or 800.226.1066 (Florida only).

Sincerely,

A handwritten signature in blue ink that reads "Jerry Bowden / Jm".
