A yellow measuring tape is positioned vertically on the left side of the image. The background is a dense layer of wood chips and shavings, with several horizontal green lines painted across it. In the center-right, the number '51453' is painted in red. A dark, thin object, possibly a pencil or a small tool, is placed diagonally across the red number.

A close-up, low-angle shot of a roof under construction. The roof is covered with a grey waterproofing membrane labeled 'Tecnico S/B'. The membrane features repeating patterns of the brand name and the number '50'. A large, handwritten-style number '51453' is visible in the center. Green circular markers are placed along the seams, which are also labeled 'OVERLAP'. The letters 'T.E.' are printed vertically on the left side. At the bottom right, a portion of a white-framed window is visible. The sky is blue with some clouds in the upper left corner.
