Subject: Permit # 36541 - Elevation Letter

Dear Matt:

Daniel & Gore, LLC has performed a vertical survey on Hart 2 Hart Academy, Parcel # 02428-004, Columbia County, Florida from a benchmark being the FFE of the existing East building (elevation – 101.00', per construction plans) and have determined the following:

- The construction plans require the minimum finish floor elevation to be 101.00'.
- The top of the formboard is at 101.04', being 0.04' above the minimum finish floor requirement.

If you have any questions, please call me.

Sincerely,

Scott Daniel, PSM
