Scale: Each block represents 10 feet and 1 inch = 40 feet.

A full-page view of a blank sheet of white graph paper. The grid consists of thin black horizontal and vertical lines forming small squares. There are approximately 20 columns and 20 rows visible. A faint red margin line runs horizontally across the page about one-third of the way down from the top edge. Another faint red margin line runs vertically along the left edge, starting from the top and extending about halfway down. The rest of the page is covered by the black grid pattern.
