You have been approved to receive one month of rental assistance because our FEMA inspection determined the disaster related conditions are temporarily preventing you from living in your home. We are providing you this assistance so you and members of your pre-disaster household can rent a place to live. Please make sure you keep all receipts related to your rental assistance.

The monthly amount of rental assistance we provided you is based on rental rates determined by FEMA and the U.S. Department of Housing and Urban Development (HUD). If you are unsure what specific days are covered by this assistance, please contact the FEMA Helpline at 1-800-621-FEMA (3362). TTY is available for persons who are hearing or speech impaired, please call 1-800-462-7585.

If you think we have not paid you the appropriate amount of rental assistance for your area, you have the right to appeal. Please send us a statement that describes the number of bedrooms occupied in your home at the time of disaster. It is important that you include your current address and contact information.
