Good afternoon,
I am writing to apologize. Your application was already in our system, it actually just came across my desk today for final review, however, the reason it was not found is because the address you gave me is not the address to the parcel the building is going on. The parcel the building is going on has no address and is not in your name. It is in the name of 'Williams Clan Revocable Trust'. I apologize for any confusion and disheartenment. With that being said, upon review of the site plan we have, I have attached a map of the approximate location of the building that I interpreted from what is given. Can you confirm that this is correct? Thank you! Have a great day!

Subject: Replacement Permit Package for 2345 SW Old Bellamy Rd
Importance: High

Melissa,

Here is the package for 2345 SW Old Bellamy Rd. When I dropped off the original package, I also went to the Heath dept and filled out a form for them. Hopefully they can provide that as I don't have a copy. I believe you have the electronically signed documents from Elite Metal Bldgs.

I greatly appreciate your offer to expedite this.

Thank you,
