Robin,
Isn't this on Kathy Glen? It looks like Kathy Glen may be a private road.
Thanks for the other information.
Have a great weekend!
Laurie

Subject: Williams Application

Robin,

- A) Is this replacing the existing home? Yes, the existing home will be demolished.
- B) Is this a private road (blue road sign)? No, this home will be situated directly on Falling Creek Road.
- C) Subcontractor Verification form, need...

- 1} Plumber – None on form- need this info and signature. I will ask Bryan about this.
- 2} Willie Dixon – Workers Comp. His expired on January 1 and I've spoken to him about providing a current W/C certificate. I will research.
- 3} Carl Bullard – Liability expires 1/20/14 (Monday) Yes, he's been advised and knows to provide a current certificate.

- D) 911 address form. Even if it is replacing, Ron will verify the address will not change based on the location of the new home. Ok, I will send a 911 Application to Ron to verify.
- E) Environmental Health signed site plan. We expect this any time and will forward once it's received.

Thanks,

Laurie Hodson

Subject: RE Replacement?

Yes. This is what I got from Bryan Zecher:

It is strictly for storage, there is only going to be the one structure just the new home, the old house that was moved to the back of the property will be for storage there is no plumbing electrical tied into it. I told Troy with the building department the same information today

Subject: Replacement?

Ron,

The other day you were in here asking about parcel #19-2S-17-04733-001 (Williams) and 911 address for a new home replacing an existing one. I believe you mentioned that when you visited the site that the old home (MH?) was moved to the back of the property. Did you ever find out what their intentions were for the old home?
