**RE: Floor Elevation – Lot 54, Meadowlands Phase 4**

This is to certify that an elevation was obtained on the floor of a building (manufactured home) placed on the above referenced lands. The results are as follows:

FLOOR ELEVATION: 76.00 feet

The elevation was projected from a benchmark set by this Company from original design elevations for this development. The plat of the development indicates that the minimum floor elevation for Lot 54 is 75.0 feet.
