To Whom It May Concern,

Please accept this letter as our request to renew Permit 43239.

Construction was delayed and we will need additional time to complete and schedule inspections.

Your approval for a renewal would be greatly appreciated. If you require anything further, I can happily send you whatever is necessary to get this permit extended.

Thank you in advance and we look forward to allowing us the opportunity to have an extension on this permit.

Sincerely,

Steve Hugh Nichols
