A photograph of a wooden roof under construction. The roof is covered in large, light-brown plywood sheets. A small, dark, cylindrical object, possibly a sensor or camera, is mounted on the roof with a thin wire trailing off. Two green cables run across the roof surface. In the foreground, a piece of cardboard with a handwritten address is taped to the roof. The background shows a grassy area and trees.

A photograph of a brown wooden house with a blue tarp in the foreground and a handwritten address on a piece of cardboard. The house has horizontal wooden siding and several windows. A blue tarp is draped over the ground in front of the house. A white air conditioning unit is visible on the lawn. In the background, there are trees and a silver pickup truck parked on a street. A person wearing a purple glove is holding a piece of cardboard with a handwritten address.

A photograph of a single-story house with brown horizontal siding and a dark grey roof. A person is visible on the roof near the peak. The front entrance has a covered porch with brick pillars and a decorative door. The yard is landscaped with bushes and a palm-like plant. In the foreground, a hand wearing a purple glove holds a piece of cardboard with handwritten text.
