SUBJECT: ELEVATION LETTER

Permit No.: 000036249

Parcel: 34-4S-17-09016-000

Physical Address: 213 SE Shady Oaks Loop, Lake City, FL 32025

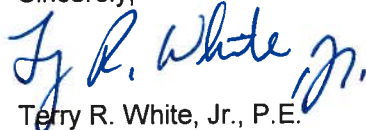

To Whom It May Concern:

The manufactured home is not located in a Special Flood Hazard Area, Flood Zone, or Floodway. The existing ground naturally slopes to a low area at the southeast corner of the property.

Requirements:

The finished floor elevation for any habitable structure shall be a minimum of 12" above the highest adjacent natural grade at the proposed building site. The home is elevated at 24" above the natural grade of the site and water will be directed away from the homes to the natural low spot at the southeast corner of the property.

Sincerely,

Terry R. White, Jr., P.E.
Water Resources Engineer
