RE: Mark Cook Foundation Letter

Dear Mr. Simque:

We have performed a vertical survey on the foundation located at Parcel A of Lot 1, Cove at Rose Creek (being parcel #A03397-201), Columbia County, Florida and have determined the following:

- The Subdivision plat requires the minimum finished floor elevation to be 76.0 feet.
- The finished floor elevation is 79.7 feet, or 3.7 feet above the required elevation.

Sincerely,

Mary E. O'Neal

Regarding Lot 1A, Cove at Rose Creek S/D

Attn: Paul

My builder Aaron Simque told me I needed to provide a letter of explanation regarding the attic area at my new home.

Attic area in trusses at subject property is un-finished storage space and could not conceivably be used as living space of any sort. This fact is visibly evident and readily observable to an inspector.

Feel free to call me if you have any questions @ 386-755-4184.
