RE: Permit #000029496 Hinkle Roof

Please do final inspection and fax me a CO to 386-496-0925.

I spoke with Troy on the phone today and explained that the camera chip with the pictures of this roof has been lost in the mail and I have been unable to locate. He said he would speak with Larry about it and for me to go ahead and send in the affidavit.

Thank You,  
Cheyenne Walker

## BUILDING DEPARTMENT

Inspection Affidavit

RE: Permit Number: 0000294960

I Lewis Walker, licensed as a(n) Contractor\* /Engineer/Architect,  
(please print name and circle Lic. Type) FS 468 Building Inspector\*

License #: RC00067442

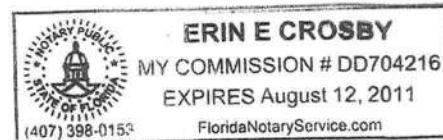

On or about 6.22.11, I did personally inspect the  
(Date & time)

☒ roof deck attachment ☐ secondary water barrier ☐ roof to wall connection

work at 153 SW Shannon St, Lake City, FL 32024  
(Job Site Address)

Based upon that examination I have determined the installation was done according to the Hurricane Mitigation Retrofit Manual (Based on 553.844 F.S.)

Produced Identification ☐ Type of identification produced. \_\_\_\_\_

\* Include photographs of each plane of the roof with the permit number clearly shown marked on the deck for each inspection. Place a tape measure next to the nailing pattern to show distance between nails.

\* Photographs must clearly show all work and have the permit number indicated on the roof.

\* Affidavit and Photographs must be provided when final inspection is requested.
