## PRODUCT APPROVAL SPECIFICATION SHEET

As required by Florida Statute 553.842 and Florida Administrative Code 9B-72, please provide the information and approval numbers on the building components listed below if they will be utilized on the construction project for which you are applying for a building permit. We recommend you contact your local product supplier should you not know the product approval number for any of the applicable listed products.

| Category/Subcategory  | e listed products.  Manufacturer | Product Description                 | Approval Number(s) |
|-----------------------|----------------------------------|-------------------------------------|--------------------|
|                       | wanuiacturer                     | Product nescription                 | Approval Number(s) |
| 1. EXTERIOR DOORS     |                                  |                                     |                    |
