[LICENSE TRANSFER LETTER Nichols to Sweatt 1.23.23.pdf](#)

Hi, Melissa!

Steve Nichols retired from Ericsson on 12/31/22. We have another License Holder, Larry Sweatt CGC1532010.

We attempted to change all open permits under Steve's license, but were not able to get to all of them.

Steve Nichols left the attached letter for any remaining permits on his license.

We are okay with leaving Ericsson as GC on this BP if NIS is okay, and then they can pull and EP, if needed.

Or if it needs to be changed, we will be unable to have Mr. Nichols sign.

Please advise.

Thank you!

Good afternoon Melissa,

I've attached an updated application. Hopefully, this is sufficient. If not please let us know, and we can work on it.

I've also copied Ericsson on here.

Stephanie and Steve,

Please request to be removed from permit #: 000043480

I've attached an old copy of the permit for your reference.

Thank you all very much for your help!

Good morning,

43480 still shows Steve Nichols as the contractor. We will need a complete renewal packet. This is to include:

If contractor is changing as before, request from current contractor to be removed or initial applicant to request change of contractor, new updated owner/contractor signature page, contractor authorization, new sub form if sub is changing, new leasee letter of authority for signor, new owner and contractor signature page with leasee's authorized signature and new contractors signature page.

45848 & 43970 files have been updated and can move forward at any time. Thanks!
