Hand-drawn site plan showing a rectangular property with dimensions 400' by 100'. A septic tank is located near the top center, with a 10' wide area around it. A well is located near the bottom right. A line connects the septic tank to the well, with a distance of 145' marked. Other dimensions include 206' from the bottom left to the well, 20' from the left edge to the septic tank, 56' from the septic tank to the right edge, 8' from the septic tank to the bottom edge, and 16' from the bottom edge to the well. Red handwritten notes indicate 'Q13M' and 'Septic' with arrows pointing to the septic tank. Red curved arrows show distances of 18' and 12' from the septic tank to the top edge, and 51' and 52' from the top edge to the well.
