

**SECTION 00 2150
HCA PREFERRED VENDORS AND MANUFACTURERS**

PART 1 GENERAL

1.1 RELATED DOCUMENTS

- A. The following list identifies manufacturers and vendors preferred by the Owner, for involvement in its many construction projects. This list may or may not preclude involvement by other companies.
- B. HCA has a relationship with HealthTrust Purchasing Group (HPG) and wishes to receive quotes from their contracted vendors. The list includes the latest available information regarding HPG contracts. These contracts should be utilized regarding HPG specific pricing and contract terms, Projects that contain products in specification sections where an HPG contracted vendor is available, the HPG contract vendor must be contacted to provide a quote for the Project. Not all manufacturers and vendors preferred by HCA participate with HPG and their purchasing agreements.
- C. Not all manufacturers or distributors identified provide materials intended or expected to be used on this Project and interested individuals must refer to individual technical specification sections of this Project Manual for those elements appropriate to this Project.
- D. Manufacturers identified in this list but not specifically identified in the technical specifications, if willing and capable to provide materials meeting the stated criteria, may be presented by the Contractor for considerations as Alternates.

1.2 LIST

- A. The HCA Preferred Vendor List begins on the following page.
- B. The HPG suppliers and manufacturers with negotiated purchasing agreement numbers are identified in the list.

1.3 DEFINITIONS

- B. Multi-source (no substitutions) – There are multiple products/manufacturers that can be used, which are all identified on the list. This precludes involvement by other companies to bid and receive awards.
- C. Preferred Vendor – The manufacturer shall be allowed to provide a bid price for the Project. This does not preclude involvement by other companies to bid and receive awards.
