Re: 01862-012

Whiddon Construction

To Whom It May Concern:

The form boards on the proposed slab are found to be 147.55 feet. The top of the septic tank elevation is determined to be 147.01 feet. The end of NW Fisher Court is found to be 146.0 feet. The elevations shown hereon are based on NAVD 88 datum.

Sincerely,

L. Scott Britt
