OFFICE OF THE BUILDING INSPECTOR COLUMBIA COUNTY, FLORIDA

INSTRUCTIONS:

Fee Paid

- 1. Fill out this form completely. Just because you have spoken with the power company does not change the information needed by the Building Department.
- 2. Bring this completed form to the Building Department. The inspection fee is \$50.00. Once the form and payment are received the inspection will be set up for the date requested.

You must also contact your power company to coordinate their disconnection with our inspection date, so the power is not off for a long time period. The Building Department will automatically release your power to the power company if the inspection passes.
